RESPONSE TO NOTICE OF INCOMPLETE RESPONSE

Sir:

In response to the Restriction/Election Requirement dated 21 March 2003, applicant elected Invention Group IV without traverse. Invention Group IV includes claims 19-35 and 38-40. Claims 17, 36, and 37 were amended to be included in this Invention Group. In addition, new claims 41-54 were added and depend from claim 31, which is part of Invention Group IV.

In the Notice of Incomplete Response dated 10 September 2003, the Examiner indicated that applicant failed to elect a single species as required by the original Restriction/Election Requirement of 21 March 2003. During a telephone conference between the Examiner and the undersigned on 9 October 2003, the Examiner advised the applicant to select one 5HT₁ agonist and one non-narcotic analgesic to satisfy the election requirement. Therefore, applicant hereby elects the species in Invention Group IV relating to the use of naratriptan as the 5HT₁ agonist and COX-2 inhibitors as the non-narcotic analgesic. Claims 27, 32, 43, and 44 are directed to naratriptan. Claims 30, 35, 39, and 40 are directed to COX-2 inhibitors.
